

Salam Un Alaikum Momineen,

We at Jaffari Center are fast approaching Mohram 1433 (**AAZAMA-ALLAHAHO UJIROKUM FI MASABAL HUSSAIN A.S.**). In preparation for Mohram, we wanted to inform every one of all the different changes that we have made recently. As many of you are aware Jaffari Center has undergone significant renovations along with an increase in the number activities and membership enrollment. In order to facilitate these programs more efficiently, we have formed a few volunteer committees who will help us out. These various committees will be in charge of assisting with coordinating programs, schedules, niyaaz, food, cleaning, maintenance, and misc. items. Also we have formed an additional trustee committee that will further assist the trustees with various management activities. We are requesting that the entire jamat please support the members of all the new committees.
